Description of Complaint: Was Given ticket for

Allegedly Speeding. Officer Hudson Issued me ticket
for Speeding and went back to his car. After pulling
away, officer Hudson Pulled me over again and said now
I'm giving you a ticket for no seat belt and not signaling
when leaving. He had his hand on his gun and I felt
confused and threatened. I had told him that I did
signal when I left curb and as he could see I had
my seat belt on. He told me he was giving me a
ticket now for not having my seat belt on before.
I decided to call 911 to have N.R.P.D. send another
officer over because I felt harassed and threatened. (Plus unmarked car)
After calling repeatedly to 911 because I got disconnected
the (State Police) told me that N.R.P.D. was on their way.
In the midst of Officer Hudson writing tickets in his
car a N.R.P.D. vehicle pulled behind his and nobody
came out to engage in my complaint. After Po Hudson
gave me tickets for seatbelt and not signaling I decided to
go to N.R.P.D. to make a formal complaint and to
find out why nobody assisted me on my 911 call.
I was told to speak with Sgt Rosenberg and explained
my situation and predicament. He said that it wasn't
being harassed in his eyes. So I had asked him
if I could speak to his supervisor and He rudely
said you'll have to wait a long time and I told him I had
plenty of time. He couldn't give me a definitive time period or a person

Description of Complaint:

to speak with so I just waited in the lobby. After waiting for a long period, I had asked the desk person if I can make an appointment to meet with the commissioner or someone in Internal Affairs. The desk person then walked away and I hadn't seen anybody in the front rooms of N.R.P.D. for approx 10 minutes. I then decided to call N.R.P.D. non emergency number to speak with someone to let them know I was still waiting and then the person on the phone said they're sending someone out. Sgt Rosenberg came to the lobby and said to come in a side room that he wanted to read something to me. When I got in the room he still claimed that I wasn't harassed. I told him that not only did I feel harassed, but I also felt threatened. He claimed that I was embellishing my story because I told him that the officer had his hand on his gun and because I didn't tell him that initially that I was now adding to my story. I told him that I was not adding to my story this is how things happened and I was upset that a N.R.P.D. official did not come to my vehicle after my 911 emergency call. Sgt Rosenberg then said don't you ever point your finger at me (which I did as I was sitting in my seat telling him how upset I was in how nobody responded to my call and out of nowhere he sit out of his chair and picked me up out of my chair by my neck and dragged me out of the room into the lobby and told me he was done with me and set out of here. There were witnesses in the lobby and I decided to leave because I didn't want any more harm to come to me. I then called the commissioner's office and told girls what had happened and she advised me to talk to the LT Messer and I filled out report.
